

Tynsel Parkes C.E. Primary Academy

Learning in Partnership

Topic: Radical Romans!

Term: Autumn

Year Group: 4

Choose an activity each week.

English

- Practice your spellings.
- Read your book and write a book review.
- Find examples of fronted adverbials in the books you read.
- Something of your own choice.

Mathematics

- Use Purple Mash to play maths games.
- Practice your times tables on TTRockstars.
- Learn how to tell the time.
- Learn the Roman number system (Roman numerals).
- Something of your own choice.

Art and DT

- Create a mosaic.
- Design and make a model of a Roman Villa.
- Make a Roman food item.
- Something of your own choice.

History/ Geography

- Research an aspect of Roman life.
- Find out which countries became part of the Roman Empire.
- Use a map to locate original Roman roads in the UK.
- Something of your own choice.

Science/ICT

- Research a famous scientist and write a short report about them.
- Compare fingerprints with other family members and make observations about what you notice.
- Use ICT to present information about a Roman invention.

PE/Dance/Drama/Music

- Create a new game for our class to play at lunchtime.
- Listen to The Planets and draw a picture to show how you think the music sounds.
- Research an instrument of your choice from the orchestra.
- Something of your own choice.
