

# Tynsel Parkes C.E. Primary Academy

## Learning in Partnership

Topic:- The Snow Queen

Term: Spring

Year Group: Nursery

**Choose an activity each week.**

## Personal, social and emotional

### Keeping ourselves safe

- Go for a walk with your adult and talk about how we cross the road safely.
- At home can you find things that we must stay away from eg the cooker.

## Mathematics

- Can you count how many steps you have in your house?
- Can you collect 10 objects from outside and count them carefully, take some away how many do you have now? Can you add any more, what is your total now?
- Can you mix all your socks up and find the matching pairs?
- Have a try at writing your numbers up to 10.

## Communication, Language and Literacy

- Listen to your favourite stories, can you name all the characters in the book?
- Look at the front cover, what characters can you see? Can you find the authors name? What is their job?
- Talk to your adult about your favourite part of the story, why do you like this part the best?

## Writing/Reading

- Practice holding your pencil correctly with your three fingers, can you draw lines on a piece of paper?
- Can you trace over your name, then can you have a go at writing your name independently.
- Play eye spy – you can play this inside or outside

## Expressive arts and design

- If you have some cotton wool can you make a snowman picture.
- Make some ice cubes with paint added and paint with the coloured ice-cube.
- If it snows go out and build a snowman – be careful to balance his head on the top and don't forget his eyes and nose!

## Knowledge and Understanding of the World

- Talk with your adult about what the weather is like in the winter, what happens? Can you pack a bag for a cold holiday, talk about what you will need and why.
- Make some ice cubes and leave them in different places – some warm, some cold, which ice cubes melt the fastest? Why do you think this is?
