

Learning in Partnership

Topic:- Growing and Easter

Term: Spring 2

Year Group: Reception

Choose an activity each week.

Personal, social and emotional

Happy healthy Me.

- Talk with your adult about the things you need to keep you healthy. (Exercise/balanced diet/sleep etc.).
- Plan a healthy lunchbox with your adult-draw your healthy box.
- Keep an exercise and food diary for a week-are you eating lots of fruit and vegetables?

Mathematics

- If you have a pizza for tea ask your adult to show you how to share it into halves and quarters. Can you share some raisins or fruit into halves and quarters?
- Hide the numbers 1-20/30 around your house. See how quickly you can find them and put them in the right order.
- Draw around your family's feet, who has the biggest feet?

Communication, Language and Literacy

- Choose your favourite animal-can you find out about its life cycle. E.g. -egg/caterpillar/chrysalis/butterfly. Draw a picture and label it to show your chosen life cycle.
- Go for a spring walk, talk about what you can see and hear.
- Play outdoor 'I spy' with your family.

Writing/Reading

- Practice holding your pencil correctly, can you write some of your HFW?
- Draw and label a picture of your favourite fruits.
- Choose your favourite book, can you read some of the words in it to your adult as they read it to you?

Expressive arts and design

- Design an Easter card to send to someone in your family.
- Make some Easter bunnies and chicks from play dough.
- Using some card and craft materials to make an Easter bonnet. Take a photograph and send it to school to share with your friends.

Knowledge and Understanding of the World

- Try tasting some different fruits. Are there some that you really like or dislike?
- Look at some different fruits-can you find out where they come from and how they grow?
