Keeping Your Child Safe Online

We are all spending more time online this year as the internet has become a significant way to socialise with friends and family. Are you aware of how to keep your child safe online? We are sharing resources to help.

Resources

Simply by clicking on the logos below you will be directed to specific information; or access the full website for lots of useful information.

Keep Safe on Social Media

Keep yourself up-to-date with the social media networks your child is using and their privacy settings with these reference guides:

Family Activities around Social Media
