

# Nursery Home learning page

! I am missing seeing all of you. I can't wait for you to start sharing your learning with me so that I can see all the exciting things that you are up to! Remember if you are logged onto the learning book send me pictures of what you are up to and I can add these into your learning book journal.

Week beginning: 18<sup>th</sup> January 2021

## Early Years Daily Routine and Activities

Here is a more structured routine while your child is at home. Bear in mind that this is just suggested - the key to success is being flexible and finding a routine that works for you. REMEMBER, play is still the most valuable thing you can do with your child and your child will constantly be learning through play.

## Maths

Our story this week is Goldilocks and the Three Bears, this story looks at sequencing. In your house can you find 3 different sized tops, trousers, socks and coats - can you have a go at putting them into size order, starting with the largest one first. If you want to make it even trickier can you sort 4 objects or even 5?!

Using a dice (if you have one) roll the dice and count the spots, can you then count out the matching number of toys. For example if you roll a number 5 can you count out 5 toys from a larger group. If you want to make this trickier use 2 dice. If you haven't got any dice don't worry you could write the numbers 1 to 10 on pieces of paper, mix them up and then turn them over one at a time.

## Literacy

In school we are looking at the story of Goldilocks and the Three bears - you can watch it here:-

<https://www.youtube.com/watch?v=iR2MOQuLPZs>

With your adult can you talk about what happens in the story.

Questions to ask:-

How many bears were there in the story?

Can you remember whose chair Goldilocks sat on first?

Whose chair did she break?

What was wrong with mummy bears porridge?

Whose bed was the comfiest? Why do you think it was the comfiest?

How do you think the bears felt when they saw Goldilocks asleep in the bed?

How do you think Goldilocks felt when she woke up and saw the bears?

**Letters** - We have been learning lots of sounds before Christmas, can you look at these sounds i, n, m and d and tell your adult what they are and show them the actions for the sounds. It is okay if you have forgotten them, ask your adult to remind you and then practice recognising them each day. You can make your own flashcards if you want and then these can be added to each week as we cover more letters.

Here's the link for the actions if you need them:-

<https://www.jollylearning.co.uk/resource-bank/jolly-phonics-actions/>

In our phonics we are also looking at rhyming words - can you go on phonics play and play bake a cake, only add the words that rhyme into the cake. Phonics play is free at the moment, if you follow the link below:-

<https://www.phonicsplay.co.uk/>

Username: Jan21

Password: home

Then click on resources and phase 1 - you can then scroll down to the game 'Bake a Cake'

## **P.E**

Each day in the nursery we are starting off warming our bodies up with Andy's Wild Workouts. Have a look at the different places you can explore whilst warming up your bodies.

<https://www.bbc.co.uk/iplayer/episodes/p06tmmvz/andys-wild-workouts>

Jump start Jonny is a brilliant P.E programme online - here is the link:-

<https://www.jumpstartjonny.co.uk/home>

## **Knowledge and Understanding of the World/ Expressive arts and design**

As we are looking at Goldilocks and the Three Bears could you have a go at making porridge (if you have the ingredients) Have a go at adding different toppings, jam, chocolate spread, syrup etc to the porridge, which one did you like the best?
