

## RECEPTION HOME LEARNING PAGE

Hello, Brilliant Butterflies, Thank you for all your super work that you have been sharing with me, both on Purple Mash and through the class Email.

**Week Beginning: Monday 20th April 2020**

Keep on using your Purple Mash logins to explore Purple Mash! There are lots of different activities and games that you can complete. If you look at the right hand side of the screen and scroll down you will see a box that says 'National Pet Month'.

You may want to make a poster for a lost pet. You can also describe your pet-writing captions. You may like to contact your wider family members and ask them what their favourite pet is and why, what they would call it? You could then do the graph in the maths list of activities.

2Dos

I have added some more activities for you to complete, once you have done them sent back to me and I can see how you have done! Unfortunately some of the activities don't allow me to leave you a message. 😞

### Reading

Find one of your favourite books.

Tell your adult why you like it.

Can you tell them what happens in the story?

What are the characters called in the story?

How many times on the page can you find 'the' and 'that' in your story?

Count them with your grown up.

Using your 100 high frequency word list-read the next 5 can you write them down without looking? If you can, try the next five.

How many can you read and write all by yourself now?

## Don't forget your phonics

See if you can play the 'stairs' game with your family. Can you remember how we play it? A little reminder-If we start with an easy one- food. Ice cream

e

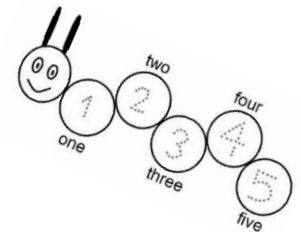

a

tomato (keep going until you have a staircase of words) .

## Maths - Ordering and sequencing numbers.

Start with the lower numbers, then move on to the higher ones>

Challenge-can you do order and sequence numbers backwards?

<https://www.topmarks.co.uk/ordering-and-sequencing/caterpillar-ordering>.

<https://www.topmarks.co.uk/ordering-and-sequencing/chinese-dragon-ordering>

## Topic/Literacy - Animals

(All these activities are on Purple Mash -but you can complete them on paper)

Adult and animal babies-draw an adult animal and then its baby.

Cow-calf pig-piglet horse-foal duck -duckling Can you think of anymore?

Look around your home (inside and outside) and make a list of the things that are living and non-living.

Think of a nocturnal animal -draw it and write a caption under your picture.

## Art

Design your own farm, add all the buildings, the pens and animals. Remember the farm machinery.

## Science

Use the internet to find out about the life cycle of a butterfly-draw and label your diagram. If you want to choose a different animal that's fine.

## P.E

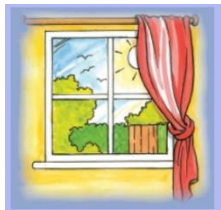

Can you design your own PE routine?

- ✚ Think of your favourite moves from the sessions you have done so far.
- ✚ Join them together to make your own routine.
- ✚ Here is an example -5 arm circles forward, 5 backwards/-5 star jumps /5 squats /5 kicks towards your bottom and 20 seconds running as fast as you can. Then repeat 3 times.
- ✚ Put on your favourite music and enjoy.

## R.E - Parables

Parables were stories that Jesus told with a meaning. Jesus was an amazing storyteller and these stories were linked to the everyday lives of his listeners. These stories (parables) were about the Kingdom of God; they showed people how to behave, how to treat others and how to pray.

### The Parable of the Two Builders

**Read** <sup>24</sup> "Everyone who hears these things I say and obeys them is like a wise man. The wise man built his house on rock. <sup>25</sup> It rained hard and the water rose. The winds blew and hit that house. But the house did not fall, because the house was built on rock. <sup>26</sup> But the person who hears the things I teach and does not obey them is like a foolish man. The foolish man built his house on sand. <sup>27</sup> It rained hard, the water rose, and the winds blew and hit that house. And the house fell with a big crash." **Matthew 7 24:27**

[Watch a video of the story](#)

Tell the story to somebody at home

Make up names for the builders.

Build houses from of some different things in your house. E.g. Lego, old boxes, playdough, tins

- + Which house was the strongest?
- + Can you tell someone why?

We hope that you enjoy these activities take care and keep safe.

Mrs Helm and Miss Edensor
