COVID-19: Interpreting the Government Guidance in a PESSPA Context

Pupils will stay safe by adhering to current government requirements.

Activities will be non-contact and will not require shared use of equipment.

Any equipment used is cleaned appropriately as per guidelines.

Facilitate physical education lessons outdoors to minimise contact with peers and adhere to social distancing guidelines.

Implement hygiene protocols – washing hands frequently and cleaning of equipment.

Purpose of funding

Schools have to spend the sport funding on improving provision of PE and sport but they will have the freedom to choose how they do this.

The vision for the Primary PE and Sport Premium: ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport

It is expected that schools will see an improvement against the following 5 key indicators:

Key Indicator 1: the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school

Key Indicator 2: the profile of PE and sport is raised across the school as a tool for whole-school improvement

Key Indicator 3: increased confidence, knowledge and skills of all staff in teaching PE and sport

Key Indicator 4: broader experience of a range of sports and activities offered to all pupils

Key Indicator 5: increased participation in competitive sport

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • New sports introduced and experiences offered. • A wider range of clubs, lunchtimes and afterschool on offer (before the COVID requirements). • Dance and Gymnastics introduced to afterschool club • Activities pupils have enjoyed and found they want to continue with, in or out of school, has led to sustainable attitude change and increased present and future participation. • Schemes of work and assessments for PE are now in place across the school in line with the new PE curriculum. The new schemes will continue to be used in future years. The confidence and knowledge of the staff members has improved giving them the confidence to deliver the curriculum across the key stage. 	<ul style="list-style-type: none"> • Continue to develop skills of lunchtime supervisors which will promote an active lifestyle <ul style="list-style-type: none"> ○ • Raise awareness of healthy eating and emotional wellbeing for staff, pupils and parents and integrate these factors into the work already started around health and wellbeing. • Enrichment of the curriculum with alternative sporting activities such as hula hooping, skateboarding, cheerleading and skipping. • Embed the use of the new curriculum planning and assessment system plans by all teaching staff. Continue to increase the confidence and skills of teachers to assist in the teaching of PE. • Develop the range of active activities in the classroom to support with Brain gym, wellbeing, mindfulness and active learning. • Continue to develop the CPD needs of all staff teaching the PE curriculum with a focus on areas of need and the ability of teaching assistants. • To develop forest schools lessons throughout the school, children take part inactive learning within their school environment. Develop: wellbeing, teamwork and resilience skills after lockdown from COVID.
