

Tynsel Parkes CE Primary Academy

Newsletter Summer - 2

Friday 11th June, 2021

Welcome Back!

We are now in the final half term of the academic year with only just over five weeks to go until the end of this academic year. We have a lot of different activities taking place in school this half term, making the most of the lovely school grounds and the sunny weather. Please keep up to date with different events on the website and through the newsletters.

School Lunches!!

Lots of children have enjoyed the delicious school dinners on offer this week, remember that reception, year 1 and year 2 children are all entitled to the universal free school lunches every day. Please order via School Grid to ensure that a dinner is prepared for your child each day.

EXCITING DEVELOPMENTS

Over the half term and during this week the Early Years Yard has had some lovely new play equipment for the children to use during the school day. Please can I remind you not to allow children to use this equipment before or at the end of the school day when you pick up and drop off this is due to our health and safety risk assessments. Children should not be playing on the tyres or the trim trail at the start and end of the day. Thank you for supporting us with this health and safety requirement.

Bikes and Scooters on the Playground

It is lovely to see so many children coming to school on their bikes and scooters. However, many children have been riding these on the schoolyard when they are picked up at home time. Please push all scooters and bikes on the playground and down the alleyway until you are on Lightfoot Road. There is limited space on the playground for all.

Hot weather reminders:

Please may I remind you to provide a sun hat for your child this half term, ensure that the hat is named to ensure we can return any lost property. Children will need to bring their water bottle to school daily.

Suncream must be applied at home before the school day to guarantee children can be outside on the school grounds safely during these summer months.

PE Days and Uniform:

This term the children will be taking part in more physical PE lessons. We are asking that children please come to school in their PE kits on the following days:

Nursery - Tuesdays

Reception - Thursdays

Year 1- Fridays

Year 2 - Wednesdays

Year 3 - Mondays (Please note the change of day)

Year 4- Mondays

Hope that you all have a lovely weekend,

Mrs Rachel Chandler

Principal

Designated Safeguarding Lead
