

Tynsel Parkes CE Primary Academy's Long Term Topic Plan - 2021/2022

(For more subject information see individual year group pages)

In supporting our children 'to be all they can be' we aim to provide high quality learning that challenges and inspires, whilst embracing Christian Values in our daily lives. Our curriculum is designed, not only to fulfil statutory requirements, but also to enthuse all our children with a love of learning. Through a mixture of exploration, discovery, creativity and a variety of learning opportunities that broaden children's knowledge and understanding. Children will develop enquiring minds and a love of learning encapsulating the school motto 'Loving and Learning together'.
