

**Uttoxeter Heath
Community Centre**

Here for families and individuals when they need it most.

Who do we help?

We will help anybody who is in genuine need or experiencing hardship regardless. We don't judge, people are just people, and life just happens. **We don't need a referral just get in touch.**

We can help with:

Food & drink
Clothing and school uniform,
Toiletries and nappies
Electricity cards
Anonymity guaranteed.

We are dependent on donations from the local community and it is so heart-warming that people will give so very much to help other people. We are based at UHCC and take food and cash donations.

Thank you to all those that have already donated, you're wonderful!

If you need help or know someone that does, get in touch.
