## HAPPINESS

EYFS - Playing with friends.

### Parent Governor Vacancy.

Our Governing Body, the Local Academy Council (LAC), has a vacancy for one Parent Governor. Governors play a key role in the school, working as a team to provide support and challenge, and influencing strategies.

The Local Academy Council (LAC) is made up of parents, teachers, and other members of the community. Every half term the LAC meets to support the work of the school, and together make sure that the school provides an excellent standard of education for our children, ensuring best use of budget and resources. The meetings take place on a Tuesday at 3:30pm - until about 6pm. If you would like to become a Governor or want to know more about the role, please contact the academy at [office@tynselparkesacademy.co.uk](mailto:office@tynselparkesacademy.co.uk) Please let us know if you are interested by **6th November**.

### EYFS - Rainbow Day.

Rainbow Day in EYFS was so much fun!

The children made a big rainbow on the carpet, created a collage and painted pictures of fish. They also got messy painting their hands and modelled rainbows from Playdoh.

## **Movie Night Fundraiser.**

Movie Night was a huge success and we would like to thank you for supporting our fundraising efforts. With your help we raised £424. The proceeds will pay for some enrichment activities closer to Christmas.

Dear Parents,

We have introduced a program to all year groups at school called myHappyMind. MyHappyMind is all based around helping children to understand how their brain works and to support them in developing positive skills and habits to be their very best selves!

MyHappyMind is delivered in schools by class teachers through a series of interactive lessons and then the children apply these learnings throughout the day. To further embed this learning and ensure that you are able to engage in these topics with your child, myHappyMind has developed a set of resources for parents. These resources can be accessed online on your computer, or through an app on your phone. The resources allow children to continue to practise some of the habits they have developed at school, such as Happy Breathing, for you to learn more about what they are learning in the program. Also included are activities for you to do together at home, to complement the in-school lessons.

To access these materials just go to <https://myhappymind.org/parent-resources> and enter your name, email, and authentication code. Your authentication code is **143896**

We really encourage you to make use of this free content so that you can support your child in getting the best out of the curriculum. If you have any questions about the curriculum, please contact your class teacher.

If you have any technical questions about accessing the resources, please contact [hello@myhappymind.org](mailto:hello@myhappymind.org)
