Animals In WW1 Assembly.

Years 2 to 4 attended an interactive assembly on Thursday morning organised by Blue Cross where they learnt how essential animals were to the war effort during World War 1. A lot of the children were extremely interested in how pigeons were used to carry messages during WW1.

Year 1 - Enjoying Maths Outdoors.

The year 1's took their learning outside this week. They have been learning all about parts and wholes in their maths lessons. They threw bean bags in hoops and then had to decide how many were in each part and how much our whole was.
