

Music Lessons made simple!

Dear Parents/Carers,

We have been lucky enough to have been visited by entrust music service this week to share with us the variety of instruments that are available for your children to learn. The children thoroughly enjoyed listening to and even joining in playing some of the instruments. Learning an instrument is a good skill to have.

Entrust are offering a variety of instruments to learn, including string, brass, percussion and wind instruments. The instruments are provided at no additional cost, all you will pay for is the actual music lesson. This will vary depending on the amount of children that want to learn the instrument. If we have 8 children it will be £65 for the term, 10 children will be £52 and 12 children £45 per term.

Payment does need to be made upfront for the start of each term, via parent pay. Firstly, we would like to see if there is any interest in your child learning an instrument. If they are interested, please can you complete the Forms link <https://forms.office.com/e/6RqkuxgFjY> showing which family of instrument they would like to learn by Monday 11th November 2024

Kind regards

Mrs K Mellor
